Schurz and His Utes.

Washington, 12. — Secretary Schurz says he does not at present desire to say anything regarding his conference with Guray. He has not yet decided whether he would hold an open council with the entire designation or not. Insemned as it has been stated that the Lediana are being guarded as captives, the secretary desired to amounce that such was not the intention of the department. The Indians, he said, were here as a delegation, and would be treated as such, but in view of the rough treatment they received at several railroad depots of transfer while on the way, and as some of them are unwell, he thought is best that they be given rest and recoperation before they are approached by citizens and representatives of the press. The secretary remarked: "There is no person living but what soften would die rather than pay 75 cents for a bottle of medicine that would cure them. Dr. A. Boschee's German Syrup has lately been introduced in this country from Germany, and its wondrous cures and recoperation before they are approached by citizens and representatives of the press. The secretary remarked: "There will be plenty of material for publication in this councetion in a few days."

In Favor of Morton. San Francisco, 13.—A patition is being circulated here and receiving signatures from prominent bankers, merchants and business men, asking Caffornia senators to withdraw their opposition and requesting the finance committee to report favorably the nomination of John M. Morton for internal revenue collector. The petition recites that there is no pronounced opposition to his nomination among business classes, and further recommends business clas of the services of the late Senator Morten
